

Blaby District Council Community Volunteer Week 12th—16th June 2017

Originally set up to coincide with national Volunteers' Week, Community Volunteer Week is an opportunity for staff from Blaby District Council, local businesses and partner organisations to give their time and make a positive difference to our local community.

What could we do for your organisation?

We are looking for a range of different volunteer opportunities—big or small—that staff could take part in during Community Volunteer Week. Whether you need one volunteer for a few hours or a team of 30 volunteers over two days, we want to hear from you.

Staff volunteering help to young people with mock interview practice.

Staff volunteering at a community garden.

For example, do you need...

- Help to run your lunch club or day centre?
- Help to clear up your community venue?
- Help to answer the telephones or with admin?
- Help to tidy up a community garden?
- Help at a community event?
- Help to run an after school or lunch club?
- Help for children with reading in a school?
- Help to develop a plan or policy?
- Help with marketing or promotional activities?
- Help with fundraising activities?

All suggestions welcome!

We want to hear from not-for-profit organisations or groups that help residents of Blaby District.

If your organisation could benefit from some extra volunteers during Community Volunteer Week, please submit your proposal on the form provided to the Partnerships & Community Development Team at Blaby District Council **by Friday 28th April 2017**
