

Have you visited the new Enable Me™ Centre located within the NRS Community Equipment Service Stores yet?

The Centre's facilities include solutions for Independent Living from Daily Living Aids to Home Adaptations. There is a warm welcome waiting for you and a willingness to assist with advice, information and demonstration to help choose the most suitable equipment for your needs.

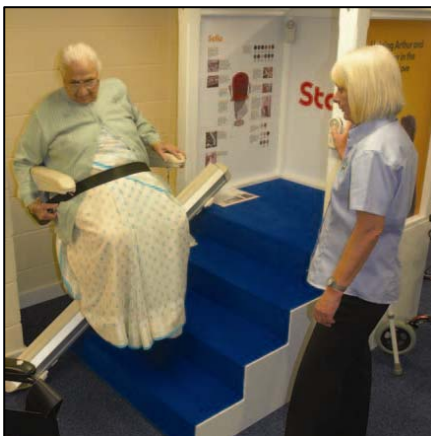

Whether you need help in finding an easier way of opening jars and bottles or a safer and easier way of getting in and out of the bath or up and down stairs, the Enable Me Centre™ has a range of daily living aids and home adaptations for you to see and try.

Managed by experienced Trusted Assessor, Julie Elliott, who will help suggest suitable products and equipment to help you, the Centre also has the following to offer:

Home Adaptation Demonstration Facilities including:-

- Stannah Stairlift
- Through the floor lift
- Bathroom area where you can try out bathing aids,
- Clos-O-Mat™ Washer/Dryer Toilet
- Kitchen area complete with rise and fall sink and many food preparation and eating/drinking aids
- A range of Rise and Recline Chairs
- Selection of walking aids

Information and advice can be provided on all types of disability equipment and you are also welcome to use the Centre's computer facilities to access online

self assessment programme or online equipment ordering.

A selection of products are available to purchase in the Centre and catalogues are available to take away giving you a choice of mail order facilities.

The Enable Me™ Centre is open Monday to Friday 9.30am to 4.30pm and can be found at:

NRS Community Equipment Services
Units K, L, M
Wilson Road
South Wigston
Leicester
LE18 4TP

Free, off-road parking is available

If you wish to discuss your needs prior to visiting, please telephone Julie on 0844 893 6956

Group visits are welcome but please telephone to arrange a convenient time and date.
